## Brady Armistice Celebration Presentation Of Union Jack

The Armistice Celebrations at Brady were postponed, owing to the school being closed from Nov. 10th until Friday evening last. The Manitou Lake Ladies Aid held a successful Sale of Work in Brady School. Special invitations had been given to the Returned Men of the district to be present and most of them responded. There were two stalls (Fancy goods and Candy), and the latter in charge of Mrs. John Paterson did a roaring trade. Poppies were the prevailing coat decorations, and in the interval Mr. K. W. Coe, (on behalf of the returned men) presented a Union Jack to the trustees of the school which sheltered their bronze tablet. This was accepted by the chairman of the board (Mr. J. W. Coe) in appropriate terms, after which 25 large poppies were made into a spray with red, white and blue streamers were given to adorn the tablet.

These had been purchased by friends who put their names on and returned them for the purpose referred to. What things were left from the sale of work were sold by Mr. G. W. Lawson (who by the way is leaving the district shortly), after which dancing was resumed and carried merrily on till nearly daylight. The proceeds are not yet available, but a handsome surplus is assured. Thus ended another year's armistice remembrance, and the Manitou Lake Ladies Aid are to be congratulated on the fact that they again rose to the occasion in "just remembering."

## Interesting, Timely Topics Discussed At W.I. Convention Held At Edgerton

The annual constituency convention of the Women's Institute clubs in the Wainwright constituency was held in Edgerton on Friday, November 7th in Gortons Hall.

Delegates and visitors were present representing the individual clubs from Ribstone, Wainwright and Edgerton. Mrs. McCrea, constituency convener, acted as chairman, and with her on the platform were Mrs. Hynck of Strome, W.I. district director, Mrs. George Burton, of Ribstone, convener, and Mrs. G' L. Hudson, Wainwright, who lead the community singing; and various others who contributed to the musical part of the program. Mrs. F. W. Clark presided at the piano.

The address of welcome was given by Mrs. Wheeler, Edgerton, and replied to by Mrs. J. Dallyn, Ribstone. This was followed by the reports of the

standing committees: Agriculture by Mrs. Trummer; Canadianization by Mrs. Warnock; Household Economics by Mrs. G. Burton; Immigration by Mrs. Michon; Public Health by Mrs. Wheeler.

Reports were also given by the secretaries of the different clubs regarding their 1924 activities. One of the most interesting of the reports submitted was that of the Edgerton Girls' Club, which by all accounts is a real live club, which despite the determined attempts of Dan Cupid to thin its rank keeps strong in numbers and enthusiasm.

Mrs. D. W. Parcels of Chauvin in a word of appreciation of the report submitted, mentioned that she had had the pleasure of organizing this club, which was the only one of its kind in the constituency.

Other reports submitted were (Continued on page two)

### COSTLY PICTURE SETS

#### Around in Pola Negri's Picture "The Spanish Dancer"

It cost as much to build the interior sets for the production of Pola Negri's new star vehicle, "The Spanish Dancer," which comes to Chauvin, Monday November 24th and Edgerton November Tuesday 25th as it did to furnish the original castles in Spain, from which these sets were modelled.

Herbert Brenon, producer of this lavish Paramount picture, is the author of this statement. He bases his calculations upon the cheapness of labor during the sixteenth century as compared with labor costs of today. The gorgeousness of the interior scenes of this photoplay is said to surpass any picture ever made. Heavy silken draperies, cloth of gold and mosaic or rare design fashioned after original decorations in old Spanish palaces were used. Antonio Moreno is featured as leading man in this splendid picture.

If RHINO Rubber Footwear weren't better—if it didn't wear longer—we would not support the iron-clad guarantee that goes with every pair.

prevents dirt, manure, snow or moisture from getting inside.

## W.I. Convention

(Continued from page one)

on Publicity and Convenor's work, by Mrs. M. McCrea; and the report of the 1923 Ribstone convention by Mrs. G. Burton, and an address on "The Woman-power in Legislation" was given by Mrs. Armour, Chauvin.

Mrs. M. McCrea was re-elected constituency convenor for 1925; and in a happy little speech thanked the members for the honor and pledged her best services for the work.

A delightful variation was given to the programme in musical numbers, vocal and instrumental, contributed by Mesdames E. A. Keith, D. W. Parcels, H' N. Freeman, W. F. Clarke, Mrs. Miller and Miss Smith. Mrs. H. N. Freeman also gave two humorous readings which were much enjoyed. Community sing-songs were also a regular feature.

Interesting and eloquent addresses were given by Mr Russell Love, M.P.P., for the constituency, and Rev. Smith of Edgerton. The former on "The De-

velopment of the World Peace Movement," and the latter on "The Influence of the Home in our National Life." A pleasing talk was also given by the Anglican student preacher, Mr Beck with, on the W. I. motto "For Home and Country."

After the afternoon session and the election of officers a delicious and substantial repast was served by the ladies of the Edgerton W. I. to the delegates and visitors who were warm in their praise of the enjoyable luncheon.

The outstanding feature of the evening session was an address by the district director, Mrs. Hynck, who in an eloquent and forceful address on "What the Institute Means to the Women," brought a message of inspiration in the work, while at the same time presenting a practical chart to be followed to obtain the best results. She stated that the Institute was valuable; first, for the work it did; and second, for women themselves, as an organization it answered a long-felt need, and was unique in that it was unsectarian, and non-political. In reviewing the various causes hurtful to growth and progress, she enjoined the clubs to develop a wider interest and a broader attitude on the work of the Institute, and closed with helpful hints in asking for Extension services, and how best to make use of these services.

She was given a standing vote of thanks for her help throughout the sessions, and as appreciation of her splendid talk. After various other votes of thanks had been given the singing of the National Anthem brought the convention to a close.

On invitation of Wainwright delegates next year's convention will be held in Wainwright.

## BUYING POWER OF WEST GREATER BY 175 MILLIONS

The Canadian prairies are at getting their business to a point, where the balance is on the right side of the ledger, according to various bankers and financial men who have been on the Pacific coast recently, says an eastern financial paper. After three years of depression and heavy loads to carry, the Canadian farmer is beginning to see daylight.

Last year's was a good crop but it had been planted and harvested with high-priced labor, material and machinery; but this year, while fields have produced only about two-thirds of the volume of wheat, as that of 1923, the planting and harvesting were done in many instances for 20 cents a bushel less than last year. In many districts the farmers' profits last year were estimated at 20 cents a bushel. This year there has been an advance of more than 50 cents a bushel in the price of wheat, so that the farmer is not only making this 50 cents, but he is getting last year's profit of 20 cents and the 20 cents a bushel saved on production cost, making a total profit of more than 90 cents a bushel on his crop this year.

A profit of 20 cents a bushel on 430,000,000 bushels of grain produced last year meant to the farming community of the prairies about \$86,000,000 of a buying power; but this year, with only 290,000,000 bushels at a profit of 90 cents a bushel, will give the

farmers in the aggregate approximately \$261,000,000, or \$175,000,000 more than last year.

Some people are kept so busy giving advice that they haven't time to attend to their own business.

## Editorial Comment

"Leaving it to George," is far too common an attitude "Letting George do it," may be highly complimentary to George's character and industry, but no matter how well George may do "it" George cannot do it all, and most certainly he cannot do your little bit.

We are lead to make these remarks when we observe the tendency of the great majority of otherwise perfectly good citizens to wait until some one else makes a start before becoming active in necessary and advantageous public movements and the similar tendency to leave the carrying on of such work to some individual who happens to be either a

little more energetic than his fellows or who has not sufficient courage to resist the enjoyment of election to office.

Have you never noticed how "George" after making a good attempt to perform the duties of the office, and making good at the same time for the inactivities of his fellow workers, had at last "fallen down" to some extent in the work. It is at this time that the crewlike idlers shake their heads, forgetting their own inaction and non-co-operation, and in a most soft and plausible manner pronounce with what they think is great wisdom that "whole thing is dead."

Leaving it all to "George" is

the surest and quickest way to kill the most lively movement. And strangest of all the murderers blame "George" for the killing they themselves accomplished.

And who are "they?" "They" are the folks just a little further on. You may talk to everybody in the community, but never do we establish direct contact with the elusive folks called "they." The truth of the matter is that you and I are the "they."

We wonder how many of our best local movements are either "dead" or in a "poor state of health" simply because "they" are doing their best to murder by hands that are idle and tongues that are busy.

## Flier Did Not Stop Preacher Delayed

To the Lutherans in the vicin-  
ity of Arltand, Saskatchewan:

Lutheran services were an-  
nounced for Sunday, November  
9th at the Brady school. The  
Rev. L. Breitenbuecher accord-  
ingly took the flier for Arltand  
Saturday afternoon of the 8th.  
The flyer, being late did not stop  
at Arltand but kept on to Chau-  
vin. This would have been all  
right if the weather had not been  
so cold. On Sunday morning,  
when the pastor wanted to go to  
Arltand, he could find no one to  
take him there, as the tempera-  
ture was quite a bit below zero.  
Mr. John Hein of Arltand, phoned  
the pastor and thought it best  
to drop the service due to the  
cold weather. And this was done;  
the pastor returning to Leipzig  
on the same day, Sunday.

On his next round trip, the  
pastor will again attempt to hold  
services in the Brady school, this  
will be on December 7th. So  
please keep in mind that if the  
weather is at all as least bit fav-  
orable there will be Lutheran  
services in the Brady school Dec-  
ember 7th.

Louis Breitenbuecher.

## Sunday Services

The services in the Chauvin  
Mission field will be held on Sun-  
day next as follows:

## Local Happenings Of Interest To All

Mr. J. Tooth has installed a radio outfit and is quite an enthusiastic radio fan.

A radio has been installed in the home of Mr. and Mrs. J. Pelletier. They are spending some very enjoyable evenings listening in to stations from coast to coast.

Armed with search warrants officials made a thorough search of the Killarney Hotel, Reynold's barn, also G. McNutt's poolroom and residence. Needless to say these officials failed to find concealed stores of illicit liquor.

The number of radio fans in the Chauvin district has been increased by Dr. Buggins, who has installed a receiving set at his office in Main Street.

Mr. A. E. Pitman, president of the Chauvin Agriculture Society, has installed the radio at his farm residence. He will be able to get the cattle prices promptly now.

Spring house cleaning costs reduced by buying your Alabastine, Paints and Varnishes at the Closing Out Sale Carpenter and Dell are conducting at Ribstone.

Mr. J. Moffatt, of Ridgeclough, returned from Teeswater, Ont. Saturday evening. He shipped a car of feeders to that point and sold to Ontario farmers.

Service and Satisfaction guaranteed, coupled with everything at wholesale is a combination seldom attempted by a retail store. Carpenter and Dell have put it into effect. Call on them and see for yourself.

Mr. L. H. Leach, recently stationed at Elidier, is now at the Unity C.N.R. depot.

Mr. and Mrs. Shea will leave for Red Deer this week. Mr. Shea having been transferred to that branch of the Bank of Montreal.

A tip to those who contemplate installing a radio this season. place your order at once, because deliveries are hard to obtain, the demand being so keen. Buy from one who understands construction and can assist you in any of the problems that may arise. Its to your advantage. L. D'Albertanson, Jr., at Chauvin Chronicle office.

An auction sale will be held at S.W. 4: 45: 2: with (9 miles N. of Ribstone) Saturday November 29th. In addition to a choice bunch of horses, cattle and poultry there will be offered a quantity of materials for wagons, buggies, etc. Implements, tools and also some property of the late J. Roekley will be sold. Terms will be given.
